

# Readiness Activity

## Who is the Strongest?

1B2      Busy Bee - My God - His Message to Me

### Resources Needed:

Two A4 sheets of paper or card, a Bible and sticky tape

### Activity

Keep the sticky tape hidden.

Ask for a volunteer to use a sheet of paper to hold the Bible up high.

Allow all who wish to try to work out a way to do it.

Show the children the sticky tape and ask for a volunteer who could do it using the sticky tape as well.

If necessary give some hints to help.

If that doesn't work show the children how to make a cylinder from the paper rolled from the landscape orientation and stuck with the tape.

Carefully place the Bible on top.

### Debriefing Questions:

What is holding up the Bible now? (The piece of paper)

Hold up the flat piece of paper. Say: This is a piece of paper too but it can't hold up the Bible.

Why not? (It isn't going the right way and it isn't held together with the sticky tape.)

The paper is like us. We're not strong enough to hold up God's Word unless we're following Jesus and held together by prayer.
