Fish Scales

Send the following note to parents, together with the appropriate book subject list above:

A requirement for all Adventurers is to receive the reading club certificate. This is a fairly simple requirement, as your child needs to read (or have read to them) only two books during the year. However we would like to encourage the children to read good books and so they have a cutout fish on the wall in our meeting room that they can stick a scale on for every book read. The list above tells you the topics for each class. When your child has read a book would you please send in a note with the title and topic so we can write this on the scale.

On the next page is a page of "fish scales" that can be glued a large cardboard fish on the wall of the Adventurer room at church. A pattern for the fish is on the final page, but it will need to be enlarged.
