

Award - Safety Specialist

Provided by Margaret Tay of North New Zealand Conference in June 2004 & August 2005

This is the second section and contains firstly five pictures related to fire safety and a fire related crossword puzzle. Then there are pictures of various other emergencies.

"Practice crawling to safety."

"Make sure your smoke Alarms work."

"Stop, Drop and Roll if flames catch your clothes."

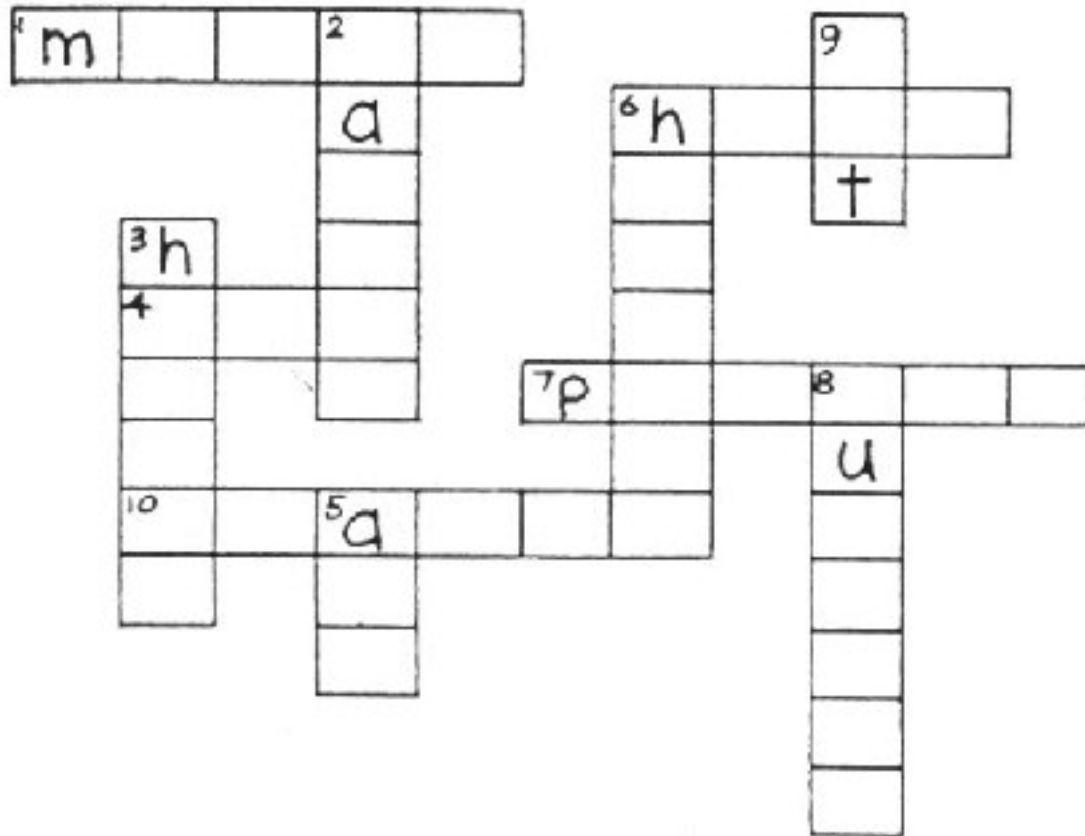

"Do not open your door until you know it is safe."

"Never hide from fire! Plan an escape."

CROSSWORD No 2

carelessness can start fires

Clues

- | | |
