4 = Helping Hand

D = My Family

1 = Families Care for Each  
Other

The requirement is to help plan a special family worship, family night, or family outing. In many ways this would be best done by the child with their own family. A planning sheet is on the next page and this might be useful.

If the families of some children are not prepared to do this then work on a program as a "family" in the class, and those who have done it at home can help the others.
