

CASTLE HILL ADVENTURERS CLUB

15 February 2003

Dear Grasshopper Parents,

We would like to welcome you and your Grasshopper to Castle Hill this year,

Plenty of exciting activities have been planned to keep your child interested and on the go.

Each session has been planned for the year so that your child will achieve two awards in 2003. The awards will be completed concurrently throughout the year resulting in the Handicraft Award and the Feathered Friends Award. We encourage your child to attend each club session in order to complete the tasks involved.

Should you have any queries please feel free to talk to us at any time -
(names and phone numbers given here)

We look forward to interacting with you and your Grasshopper throughout this year.

Petra and Fiona
(Castle Hill Adventurers - Grasshopper Leaders)

CASTLE HILL, ADVENTURERS CLUB

13 October 2003

Dear Grasshopper Parents,

We have had a fantastic and fun year with your Grasshopper. Lots of interesting and exciting activities have been completed. All the children worked really hard and enthusiastically to meet the requirements for the Handicraft Award and the Feathered Friends Award..

Our last Grasshopper session will be held this Saturday 18 October. Please remember to return the bird watching record at this last session as it would be a shame to miss out on the Feathered Friends Award due to the failure to complete one section.

A "End of year Grasshopper Party" will be held this Saturday to finish off the year in a fun way. Could you please bring a small plate of party food to share.

Please note that the Investiture date is Saturday 29 November. 11.00am to 12.00pm. A potluck lunch for all adventurers and their families will follow the Investiture service.

Full adventurer uniform must be worn to Investiture. The Grasshopper Handicraft and Feathered Friends folders will be put on display near the church foyer. After investiture the folders can be taken home.

A big thank You for bringing your Grasshopper to each session. They have learnt how to do crafts with many different materials as well as learning about lots of interesting birds. (They have also become champions at "Simon Says")

Kind Regards

Petra and Fiona
