- folder to be handed out on investiture day and put on display
- wear uniform to investiture
- date of last meeting
- bring food for party

## *Adventurer Award*

# HANDICRAFT

### **CRAFT 1 Making a picture using different seeds and natural materials**

The squirrel was decorated using sunflower seeds, orange sprayed pumpkin seeds, soya beans, a hazelnut, wood shavings, dried ground cover.

### **CRAFT 2 Making a card using paper, ribbon, beads, plastic etc**

There was a choice of two card designs. Hearts and beads or a boat and water design.

### **CRAFT 3 Making a mobile**

The mobile was made from painted egg carton pieces that were then decorated with eyes, legs (coloured pipe cleaners), furry balls etc to make little "critters". The critters were hung from a covered metal hanger.

### **CRAFT 4 Mothers Day flowers**

A timber plaque with a half flower pot was decorated with felt, coloured board, coloured sticks and dried flowers.

### **CRAFT 5 Cockatoo Collage using at least six different materials**

Materials used to decorate the cockatoo were soya beans, lentils, a current, pink dyed cotton wool, native leaves, twigs, flower petals, bark, cardboard and match sticks.

### **CRAFT 6 Fruity Potato Prints**

Letter paper, note paper, gift tags and a book mark were decorated using bright paint and potatoes cut out in fruit shapes.

### **CRAFT 7 Egg Shell Picture**

Egg shells were glued to a cardboard picture of a duck swimming on water. Egg shells were dyed blue, yellow, pink and green.

### **CRAFT 8 Fathers Day Card**

A special card was made using colourful artist board. Each child wrote a message to dad and drew a picture of themselves spending time with dad.

### **CRAFT 9 Making a Window Garden**

Dried natural flowers and leaves were laid on light green contact, a frame was placed over the top. Flower garden and frame were then covered with clear contact.
