

Activity 10

Teacher, please help the children follow the dots from 1 to 10 to find out what the children have done to make them so happy. Find the toys on the coloured card and glue them into the toy box. Talk to the children about helping without being asked. Something they could do is putting their toys away without being told.

Places to Play

This girl is playing in her back yard. Help the children to stick on the yard fence.

This boy is playing in a construction yard near large machinery.

This boy is riding his skateboard on the road.

This girl is having a swing at the park.

Teacher, please discuss with the children what are safe places to play. Have them place an X on the places that are not safe to play and to colour the places that are safe to play.
