

Dear Adventurer Leader

Would you like to give something to your Grasshopper class at the Investiture? Would you like to recognise the help of your volunteers with a special certificate? As Grasshoppers does not have an official pin, we have designed one for the occasion so that the children didn't feel as though they are missing out. These resources have been used in clubs from Greater Sydney, Queensland, South Australia and North New Zealand for the last 7 years.

We have a Grasshopper button, Certificates and an Adventurer Thank You card for the Volunteers who we couldn't function without. They are not part of the official Adventurer Club resources catalogue, but we have GSC's blessing to promote their availability.

The **Appreciation Certificates**, which can be presented to Adventurer teachers and other people who have made a significant contribution to the club. These are 21 cm x 15 cm and printed on light blue/grey mottled paper and are personalised with the name of the Recipient and Club being inserted. They have the Adventurer logo printed behind the words of appreciation.

The **Grasshoppers Certificates** are in recognition of their regular attendance, as they have no set class work to cover. These are 15 cm x 10.5 cm and are printed on light pale green paper which is embossed with a leather pattern. These certificates have the name of the Club inserted with spaces to hand write the child's name and signature spaces for the class teacher and club director. As a precaution for the little ones, they are laminated on the back for longevity.

The **Grasshoppers Buttons** also have a metal backed, plastic covered, button pin, which is made of the same paper and with the same Grasshopper design as the certificate. These pins are 2.5 cm in diameter.

The **Thank You Cards** can be presented to Volunteers who help out irregularly with the Club. It's nice to show appreciation in a less formal way at times. These cards are 15 cm x 10.5 cm, fit into a C6 size envelope (not included) and are printed on light blue/grey mottled paper the same as the Appreciation Certificates. They have the Adventurer logo above the "Thank You" on the card front. The verse inside states – "It's great to know you can count on some people, To go the extra mile... Thanks for volunteering" There is space inside to personalise the card yourself.
